LET'S CELEBRATE

THE BRAND

CHIVASSO'S philosophy is characterized by a forward-looking open and imaginative attitude, influenced by its Dutch origins. The style is casual and smart. We have remained true to our values to this day: interior design is our passion and curiosity is our motivation. In short: we love what we do and we live our style. Our products are defined by innovative concepts, imaginative creations with an independent character and high-class, long-lasting qualities.

WE SAY THANK YOU!

For 25 years we have been a proud part of the JAB Anstoetz Group and every year we throw our hearts and minds into conceiving creative and bold collections for the high-quality furnishing sector. We want to celebrate this and express our gratitude. To all our customers and CHIVASSO friends who have accompanied us on this journey:

THANK YOU

for the many years of loyalty and the successful and trusting cooperation. We want to share our knowledge and passion for textile fabric creations with you and continue to develop our products with fresh ideas and new technologies. Be inspired by our creative collections and immerse yourself in a world far beyond dullness and boredom. We are looking forward to our common future – since: together we are stronger! With our best regards to you:
