Wallcovering

ENGLISH

Fischbacher 1819's wallpaper collections are inspired by the colours, patterns and textures of our luxurious furnishing fabrics. Designed with the utmost care, our wallpapers offer a large variety of designs that give every room a distinctive identity. With textile, non-woven and vinyl wallpapers, Fischbacher 1819 offers a variety of qualities, from matt paper to three-dimensional vinyl embossing and shimmering metallic textile surfaces.

Our vinyl wallpapers combine aesthetics with high functionality. The embossed vinyl on a non-woven base is hard-wearing, colourfast and guarantees excellent stability. The wallpapers from Fischbacher 1819 are characterised by their lightfastness, scratch resistance and easy maintenance. If necessary, the wallpaper can be removed without leaving any residue. We offer special sizes on request in order to achieve optimum adaptation to the available space.

DEUTSCH

Die Tapetenkollektionen von Fischbacher 1819 sind inspiriert von den Farben, Mustern und Strukturen unserer hochwertigen Einrichtungsstoffe. Mit größter Sorgfalt entworfen, bestechen unsere Tapeten durch eine Vielzahl an Designs, die jedem Raum eine unverwechselbare Identität verleihen. Mit Textil-, Vlies- und Vinyltapeten bietet Fischbacher 1819 eine Vielfalt an Qualitäten, von mattem Papier über dreidimensionale Vinylprägungen bis hin zu metallisch schimmernden Textiloberflächen.

Unsere Vinyltapeten verbinden Ästhetik mit hoher Funktionalität. Das geprägte Vinyl auf Vliesgrund ist strapazierfähig, farbecht und garantiert eine exzellente Stabilität. Die Tapeten von Fischbacher 1819 zeichnen sich durch ihre Lichtbeständigkeit, Kratzfestigkeit und einfache Pflege aus. Bei Bedarf lassen sich die Tapeten rückstandsfrei entfernen. Auf Anfrage bieten wir Sondergrößen an, um eine optimale Anpassung an die vorhandenen Räumlichkeiten zu erreichen.

Les collections de papiers peints de Fischbacher 1819 s'inspirent des couleurs, des motifs et des textures de nos tissus d'ameublement luxueux. Conçus avec le plus grand soin, nos papiers peints offrent une grande variété de motifs qui confèrent à chaque pièce une identité propre. Avec ses papiers peints textiles, intissés et vinyles, Fischbacher 1819 offre une variété de qualités, du papier mat au gaufrage vinyle tridimensionnel et aux surfaces textiles métalliques chatoyantes.

Nos papiers peints en vinyle allient l'esthétique à une grande fonctionnalité. Le vinyle gaufré sur une base intissée est résistant à l'usure, ne perd pas ses couleurs et garantit une excellente stabilité. Les papiers peints de Fischbacher 1819 se caractérisent par leur solidité à la lumière, leur résistance aux rayures et leur facilité d'entretien. Si nécessaire, le papier peint peut être enlevé sans laisser de traces. Nous proposons des formats spéciaux sur demande afin d'obtenir une adaptation optimale à l'espace disponible.

Le collezioni di carte da parati di Fischbacher 1819 si ispirano ai colori, ai motivi e alle texture dei nostri lussuosi tessuti d'arredo. Progettate con la massima cura, le nostre carte da parati offrono una grande varietà di disegni che conferiscono a ogni ambiente un'identità distintiva. Con carte da parati in tessuto, tessuto non tessuto e vinile, Fischbacher 1819 offre una vasta gamma, dalla carta opaca alla goffratura tridimensionale in vinile fino alle scintillanti superfici tessili metalliche.

Le nostre carte da parati viniliche combinano estetica ed elevata funzionalità. Il vinile goffrato su una base di tessuto non tessuto è resistente, non sbiadisce e garantisce un'eccellente stabilità. Le carte da parati Fischbacher 1819 si distinguono per la loro resistenza alla luce, ai graffi e alla manutenzione. Se necessario, la carta da parati può essere rimossa senza lasciare residui. Su richiesta, offriamo formati speciali per garantire una perfetta adattabilità allo spazio disponibile.

Newtopia

The NEWTOPIA wallpaper represents a jungle-like landscape pictured in precise detail. The pattern shows a dreamy imaginary world with motifs borrowed from the digital archives of the Rijksmuseum and New York Public Library. The fantasy image shows a landscape reaching for the sky and simultaneously reflected in a lake.

Kotori

KOTORI means 'little bird'. Many of the individual elements which feature in KOTORI – such as the birds and flowers – traditionally have special meanings in Japan. The most famous of these is the crane, which symbolises a long and happy life. The floral motifs which appear in KOTORI – such as the lotus flower, cherry blossom and pine branches – are also positive symbols of good luck and prosperity.

So Avantgardening

The floral print design of SO AVANTGARDENING forms a bridge between different artists from different eras. Drawings and paintings from the archives of the Rijksmuseum and the New York Public Library served as sources of creative inspiration. The Fischbacher 1819 design studio captured the key integral elements of these artworks, composed them anew, and used a digital, photographic collage to narrate a fascinating story on fabric and wallcovering. The intense, colourful pattern repeat is displayed on a background of cream and dark blue. The graphically stylised peacock-feather elements evoke the Art Deco era. There is an enchanted garden that draws you into a voyage of discovery.

The aesthetics of traditional basket bags are reflected in the KIONDO design, but interpreted in a much more abstract way. On the wall, the graphic pattern also evokes associations with Art Deco style elements. The shiny satin weave of the textile that was the inspiration for the wallpaper has been transferred into a metallic print which contrasts with the matt background.

Salonga

The hand-painted design SALONGA creates an imaginative jungle and turns the viewer into an explorer. The panel stretches over a width of 348 cm and a height of 300 cm. It can be used endlessly or adorn the wall like a large painting.

The colour of the luxurious textile wallpaper changes with the light conditions, sometimes appearing matt, sometimes with a metallic glint. Developed in two colourways, the large-scale motif appears playful and sophisticated in equal measure.
