Rewilding

Embrace the wild beauty of nature

Capturing the beauty and drama of wild nature, Rewilding is a collection filled with charm.

This collection features everything from painterly landscapes and beautifully hand-painted botanical florals to detailed embroideries, small scale prints and tactile weaves.

Each colour palette is inspired by natural heritage colours, with chalky blues, earthy greens and classic chintz shades.

With a mix of textural and natural base cloths including sustainably sourced options, Rewilding has a rustic and warming feel.

Verini

Timeless elegance and beauty

The Verini collection draws inspiration from the timeless beauty of Arts & Crafts design, infused with the intricate charm of Persian ceramics.

Featuring a harmonious blend of delicate embroidery, intricate weaves, and richly textured prints, Verini showcases fabrics that exude sophistication and artistry.

Rich colours and contemporary hues bring each design to life, offering a perfect balance of tradition and modernity for those who appreciate fine craftsmanship and enduring style.
