Anneli Collection

The Anneli Collection invites you to embrace a relaxed lifestyle with a beautiful range of wide-width linen fabrics. Woven with natural fibres, these textiles embody the effortless look of linen combined with the softness of cotton, offering a perfect balance of comfort and style.

Enhance your windows with stripes - Rayna, Thora or Fraya - which have been designed to be railroaded for an impressive wider width. Compliment these stripes with Mirla, a luxurious plain that drapes beautifully, offered in seven co-ordinating colours, including calming hues of mistral, willow and jute.

Introduce a subtle pattern to your space with Ingrid, a pinstripe available in seven soft, muted colours perfect for creating an inviting, serene space. Pair with Elin, a sheer fabric that softly filters light, and add depth and character with the rustic textures of Ivar or Ulli.

The Anneli Collection seamlessly combines understated elegance with a tactile, relaxed aesthetic, making it the ideal choice for creating a tranquil interior.
