Kelby Collection

The Kelby Collection captures the essence of Scandinavian design, focusing on simplicity, functionality, and a minimalist aesthetic. Each fabric in this range has been thoughtfully designed to suit a variety of applications within the home - dual-purpose weaves combine durability and tactile appeal with refined colour combinations and subtle patterns that elevate any interior.

Aksel, Sillia, and Karlson offer multi coloured stripes transitioning from soft neutrals like praline and plaster to earthy tones like russet and mineral. For a tonal look, Nissa's wide two-toned stripe creates movement and elegance. Complementary options include Esket's geometric weave, Marny's subtle chevron, and textured Frodi and Ingo, all reflecting classic Scandinavian charm. Danby, a versatile textured plain, effortlessly ties the designs together.

Fabrics can be treated to required FR standards on request.

*PATTERN REPEATS, JOINED WIDTHS AND PATTERN ALIGNMENT

Pattern repeats and widths are not exact and can vary by $\pm 5\%$. We cannot guarantee exact measurement. Please ensure that pattern alignment is adequate to produce a satisfactory result. Textiles are not completely stable. It is always possible that the pattern will not be completely 'square' on the cloth. Whilst every effort is made to avoid distortion, a commercial tolerance is to be accepted.

COLOUR VARIANCE

Slight colour variances may occur between batches.
