# Olenka Weaves Collection

Following the success of our original Olenka plain, the Olenka Weaves collection elevates that same exceptional quality into three distinct patterns: a bold wide stripe, a refined narrow stripe, and a contemporary checkerboard. Each fabric offers a beautiful tactile handle, perfect for both curtains and upholstery, making it easy to introduce colour and texture into any space.

Available in eleven carefully curated colourways, the palette moves from soft, natural tones like wheat and pebble to richer, vibrant shades such as granite, mineral, and brick. With its sophisticated patterns and rich hues, Olenka Weaves brings depth, warmth, and timeless style to your interiors.

## \*PATTERN REPEATS, JOINED WIDTHS AND PATTERN ALIGNMENT

Pattern repeats and widths are not exact and can vary by  $\pm 5\%$ . We cannot guarantee exact measurement. Please ensure that pattern alignment is adequate to produce a satisfactory result. Textiles are not completely stable. It is always possible that the pattern will not be completely 'square' on the cloth. Whilst every effort is made to avoid distortion, a commercial tolerance is to be accepted.

## COLOUR VARIANCE

Slight colour variances may occur between batches.
