BOURTON

Inspired by the charm of the English countryside, **BOURTON** captures the spirit of the Cotswolds - a region of picturesque villages and historic houses set within a landscape of rolling hills and wooded valleys. Archive designs are reimagined for today, combining timeless florals, refined patterns and soft natural colours.

The companion **BOURTON WEAVES** offers subtle pattern, texture and colour, presented through a variety of small-scale geometrics, stripes and plains, designed to complement Nina Campbell's decorative designs.
