HONFLEUR

FABRICS & WALLPAPERS

Draws inspiration from the understated beauty of French towns, villages and historic gardens – a collection of prints, embroideries and weaves that balances rustic charm with a refined hand. With references to traditional motifs, artisan techniques and a gentle colour palette, delicate embroideries, soft wools, textured weaves and lyrical prints evoke a sense of quiet elegance.

The accompanying wallpaper collection complements the fabrics with harmonious colours. Alongside these new patterns, Nina also revisits three favourite fabric designs, reimagining them as wallpapers.
