FARNAZ

The FARNAZ collection is inspired by the intricate gardens and grand architecture along the Silk Route, evoking the magnificence of Byzantine, Ottoman, and Persian empires. Rooted in artistic traditions, FARNAZ, derived from the Persian words *far*, meaning splendour or exuberance, and *naz*, meaning comfort or luxury, presents a range of embroidered and printed fabrics in harmonious, rich colours.

These designs are beautifully complemented by FARNAZ WEAVES, a collection of woven fabrics inspired by intricate mosaics and architectural elements. Exuding a sense of understated luxury, they offer versatility for contemporary decorating schemes.
