GENOA CORD

A luxurious, large-scale velvet corduroy made from recycled polyester, featuring a stain-resistant finish and exceptional durability with a Martindale abrasion of 100,000.

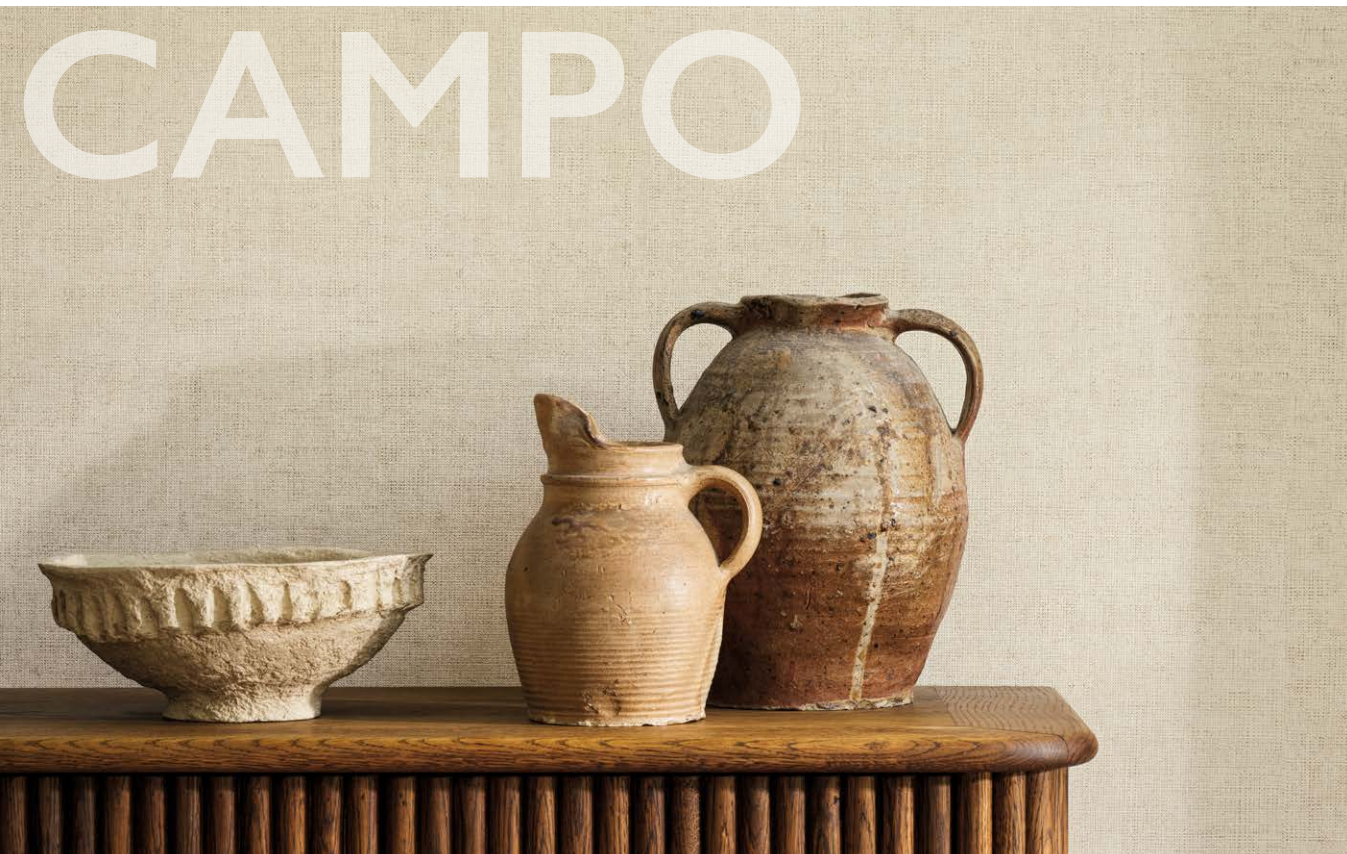

Named after Genoa, traditionally recognised as one of the most important Italian centres of high-quality velvet production.

PARAMO VINYL

Five contemporary vinyl wallcoverings, each finished with innovative embossed textures and printed on wide-width rolls of 68.5cm x 10m (27ins x 11 yds) are ideal for both contract and domestic interiors. The collection is presented in an extensive palette of neutral shades and natural colours such as celadon, terracotta and walnut, providing a versatile foundation for a wide array of decorative schemes. Named after the páramo grasslands found in the northern Andes of South America.
