CARABALLO

A luxurious celebration of artisanal weaving techniques and rich surface interest. The collection features an elegant mix of semi-plains, stripes, chevrons, trellis patterns, and a unique fringed design. Woven with a diverse array of yarns including bouclé, chenille, mohair velvet, and space-dyed threads, and a variety of weave structures, these fabrics reveal a subtle, refined textural beauty. A warm, earthy palette of neutrals and natural tones enhances their versatile appeal across both residential and contract interiors.
