STEP 3: Place Order

Strikeoffs are recommended but not required. They are available for an additional fee and usually produced within 1-2 weeks. Strikeoffs are recommended because color saturation can vary on different natural grounds and custom Mash Up orders are non-returnable. Please inquire about pricing for your custom wallcovering.

COORDINATING SOLID GROUNDS

To maintain the integrity of the metallic leaf, this collection has been treated with a special coating. Coordinating solid grounds can be made to order with a 10-panel minimum and must be purchased with a Mod Metallics item. As each order is handcrafted, there may be a slight variance in texture and color. This is part of the inherent beauty of handcrafted wallcoverings.
