CONNECTION BETWEEN MATTER AND NATURE
THE MATERIAL IN THE ONLINE COLLECTION CELEBRATES
THE ARCHITECTURAL STRUCTURE FOUND IN NATURE,
ACHIEVING A SEAMLESS BALANCE BETWEEN LINES AND
SHAPES. COMPLEMENTED BY A RANGE OF WARM TONES
TRANSITIONING TO BOREAL BLUES AND GREENS, THESE
SURFACES REVEAL IRIDESCENT NUANCES WHEN TOUCHED BY LIGHT.

Environmental Benefits: The eco-friendly aspect of the ONLINE collection lies in quartz, its non-toxic nature, and the production process that safeguards the environment.

Superior Durability: The strength and durability of quartz in the ONLINE collection make it resistant to daily wear and ensure a long lifespan, reducing the need for frequent replacements.

INSPIRATION

THE INTRICATE QUARTZ LAYERS PROVIDE A PRONOUNCED 3D EFFECT TO THE TEXTURES, REMINISCENT OF MARBLE CRAFTSMANSHIP. THE RAISED THICKNESS AND METALLIC VEINS CREATE A CAPTIVATING INTERPLAY OF LIGHT AND SHADOW, RENDERING ONLINE A TRULY DISTINCTIVE COLLECTION. IT ESTABLISHES A UNIQUE CONNECTION WITH BOTH CONTEMPORARY AND PRIMAL SENSIBILITIES, RESONATING WITH OUR CURRENT AND INNATE IMPULSES.
